

New Student Checklist

- **Registration:** Sign up for an orientation session today! Check out your checklist where you applied for Lander.

- **Math Placement Tests:** Only incoming Math and Pre-Engineering majors must complete the online calculus assessment. The assessment helps determine if students are ready to begin calculus or would be better suited, to begin with, pre-calculus. This assessment is located in Blackboard, under "Courses." To access the online assessment, log into Blackboard with your temporary Lander student ID (listed on your acceptance letter, with a lowercase "t" in front of the number). Please note: The ID is case-sensitive, and the password is the students' date of birth (MMDDYY).

- **Foreign Language Placement Tests:** The Foreign Language assessment is needed only for students who have a background in a foreign language and want to place in an advanced level. This assessment is located in Blackboard, under "Courses." To access the online assessment, log into Blackboard with your temporary Lander student ID (listed on your acceptance letter, with a lowercase "t" in front of the number). Please note: The ID is case-sensitive, and the password is the students' date of birth (MMDDYY).

- **Immunization Forms:** All Lander students MUST complete an immunization form. Please visit the [Wellness Center webpage](#) to complete the form. This form needs to be completed in order to fully register for classes during Orientation.

Contact the Wellness Center:
(p): 864-388-8885

- **Housing and Residence Life:** Apply for Housing? Contact our Housing Department or visit lander.edu/housing for more information.

Contact Housing:
(e): housing@lander.edu (p): 864-388-8266

- **Accommodations:** The Office of Disability Services is here to assist with all of your accommodations. Some include, but not limited to Housing and Academic courses. Complete the [intake form](#) to begin the process.

Contact Director Sam Abney:
(e): sabney@lander.edu

- **Got FINAID?:** Make sure to view your myLander regarding your Financial Aid package. Turn in all necessary forms and documents as soon as possible. Visit lander.edu/finaid for more information.
